

## Master of the house

Welcome M'sieur sit yourself down,  
and meet the best Inn-keeper in town  
As for the rest, all of them crooks,  
rooking the guest and cooking the books  
Seldom do you see, honest man like me,  
a gent of good intent, who's content to be

Refr:

Master of the house, doling out the charm  
Ready with a handshake and an open palm  
Tells a saucy tale, makes a little stir  
Customers appreciate a bon viveur!  
Glad to do my friends a favour,  
doesn't cost me to be nice  
But nothing gets you nothing;  
Everything has got a little price.

Master of the house, doling out the charm  
Ready with a handshake and an open palm  
Tells a saucy tale, makes a little stir  
Customers appreciate a bon viveur  
Everybody loves a landlord  
Everybody's bosom friend  
I do whatever pleases  
Jesus! Don't I bleed 'em in the end!

Dames: Master of the house? Isn't worth my spit!  
Comforter, philosopher and lifelong shit!  
Cunning little brain, regular Voltaire  
Thinks he's quite a lover but there's not much there  
What a cruel trick of nature landed me with such a louse  
God knows how I've lasted living with this  
bastard in the house!
